I am honored to receive the support of my republican colleagues by being elected to the House Republican Whip. I am excited to have an opportunity to play a role in charting our future. One consequence of being in the House Republican leadership is that I have higher political spending required during the session. I need your help in raising money to help defend my own seat and to support candidates who will work for smaller government and for making North Carolina a good place to do business. I hope you will make a contribution to my campaign. A contribution of any amount would be appreciated and it will be put to good use. The rules regarding contributions are stated below.

Thank you for your support. *Tom Tillis*
